(Answer to this question will be shown to the Author)

- Yes
- Can be improved
- Must be improved
- Not applicable

Is the research design appropriate? *

(Answer to this question will be shown to the Author)

- Yes
- Can be improved
- Must be improved
- Not applicable

Is methodology adequately described (including materials and methods)? *

(Answer to this question will be shown to the Author)

Reviewers are invited to take into account that theoretical research might present methodologies in article sections that are different from those of experimental and quasi-experimental research designs.

- Yes
- Can be improved
- Must be improved
- Not applicable

Are the results clearly presented? *

(Answer to this question will be shown to the Author)

- Yes
- Can be improved
- Must be improved
- Not applicable

Are the conclusions supported by the results? *

(Answer to this question will be shown to the Author)

- Yes
- Can be improved

- Can be improved
- Must be improved
- Not applicable
